1200-1300

TITLE: “Renal Leap: Setting a New Standard for CKD Management in Diabetes”

PRESENTER: Dr. Norman Muirhead
Professor of Medicine
Schulich School of Medicine & Dentistry
The University of Western Ontario

OBJECTIVES:
1. Define Chronic Kidney Disease (CKD) in diabetes and its prevalence.
2. Discuss current standards of care in the treatment of CKD in patients with diabetes and the need for new therapeutic interventions.
3. Apply evidence from recent clinical trials with renal outcomes.

*This event is an accredited group activity as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada*
